Hi Amanda,

It was nice talking to you today.

Please see the link below of the location I am looking at for providing trash bins for some of the homeless constituents in the area so you have an idea of site.

Hello, Juan,

Thank you for taking the time to meet with me last week. I wanted to provide you with a quick update – I briefly spoke with my supervisor over the phone regarding our conversation. I have scheduled to meet with him on Friday. I want to send you a more solid update on Friday, please let me know if this works. My update on Friday will include several options based on my conversation with my supervisor. I want to weigh out all options, therefore it may be more appropriate to update you by Friday. Please let me know if you need an update sooner.

Please note, my boss is willing to explore supporting your efforts for this pilot program.

Best,

Amanda
